Once again we traveled to the Sunshine State to visit Daytona Beach for the Rolex 24 Hour Race. The weather was unbelievable (75 to 80°). We saw many old friends and met some new ones. There were many neat Porsches in the Corral including a Boxter. Most of the attention was focused on the two 930 Turbos that were parked next to our motorhome. Record crowds were reported (50,000 fans) in the in-field. IMSA's new ownership certainly did a good marketing job for the event. We may have converted some NASCAR fans! They are easy to spot - asleep in the lawn chairs during the race!

Palmetto Regions own who are worthy of recognition for their part in the race are, Stan Turner (Rennsport Charleston) who built the Porsche engine for the #25 car, Worldwide Notification Systems owned by Palmetto Region member Charles Coker. The car finished 6th. In GTS-3 class, and 17th. Overall. Secondly - Bob Woodman (Pirelli) handled the tires for Charles Coker's car as well as two other cars which placed in their classes. Congratulations guys on a job well done!

Our monthly meeting will be February 11th. At 7 PM at Tuggy Mathisens house at 49 Eton Drive, West of the Ashley. (See below) Tuggy's phone number is 556-1627 if you need further information. The Board Meeting will be at 6 PM.

Advertisers for the Palmetto Pipes should plan to send any new artwork in for the March newsletter. Fees for ads will be mailed out in February.

See you at the meeting,

Al

Directions to Tuggy's House

From Highway 171 (Cosgrove Ave.) turn onto Orange Grove Road, when you come to Manchester turn right and right again on Eton Drive. It is the first house on the left. 49 Eton Drive.
