## From the President

Greetings!

I spoke with our zone 3 Rep. Danny Saxton while down at Daytona. Lots of interesting activities are planned for this year. Danny hopes to visit us sometime this spring. Flans are around Spoleto (May) providing his travel schedule is open. Danny has twenty plus years in PC A and a wealth of knowledge concerning the Porsche world.

Baker Motors will host a meeting as soon as their Boxster demo arrives. Our plans are probably to have a Saturday Meeting so we can drive the Boxster. If you have an interest please call me or Jim Earth to confirm (852-4000). date to follow once we see what responses look like,

Here are some stat's you might find interesting. Porsches sales are up 23% in the USA and 187% in Canada (34% increase in 911 's) their 3<sup>rd</sup>. largest selling year in history. Sales for 1997 are around 14,000 cars - 10,000 will be Boxsters. Porsche is back!

If you are a cyber space person, you can reach the club at web site [www.pca.org](http://www.pca.org). The web master is Bev Frohm. Our March meeting is hosted by our vice president Bill Via. Hope to see you.
