From the President

Our regular *monthly meetings will change to Thursdays* so that other members who have meetings on Tuesdays can attend. Hopefully this change will allow other members an opportunity to make our meetings. Thanks go out to Tuggy Mathisen for putting together a great Poker Run. Those of us who went, enjoyed the country roads as well as the lunch at The Dock Restaurant. The winning Poker hand was held by Richard Powell, with 3 Deuces. Congratulations to Richard who also won a very nice Porsche poster worthy of framing.

Final plans for The Concours D' Elegence are being put together. Many of you have called to say that you are polishing and cleaning your cars! We expect some surprises this year, we actually had some of our trophy winners come from North Carolina last year. A lot of work has gone into putting this together. We hope you can make it. Food will be catered and will be \$6 per person, which also includes your registration fee. Tuggy is preparing the Tech Quiz and it always proves to be interesting. We will award 1 trophy for the winner. Three trophies will be awarded for 1st, 2nd, and 3rd place - to be judged. The People Choice trophy will be voted on by everyone who attends.

Baker Motors will be our main sponsor as well as several other people who will be announced at the show, all proceeds will be donated to the MUSC Children's Hospital. Hope to see you at the show. Elections for 1998 Officers will be coming up in November - Stay Tuned

From the Editor

Greetings, I would like to thank you for letting me be the editor of Palmetto Pipes for 1997. I have really enjoyed it, and I hope we can continue to improve on it as time goes by.

In answer to your responses about having a club home page, I have been working toward that end. I was able to find a site "GeoCities" on the Internet that allowed me to have a *free* Personal Home Page. I have never attempted to put together a Web Site before, but I knew that I could never learn any younger.

I hope you have time to look over the web site and give me your comments. Since it is a *personal* (non profit) page, I could not include the advertisements or classified ads that we publish in our newsletter. One day I hope we can have a Palmetto Region, web site that will allow us to publish our advertisements. The coverage of a site like that would be awesome!

The site is located at (<http://www.geocities.com/motorcity/downs/9144>). I hope to have links to PCA and other interesting Porsche related news. If you click on "*Palmetto Pipes*" , it will take you to the newsletter which I will keep updated.
