Palmetto Region Porsche Club of America

June 5, 1997

From the President

Our may Meeting at Baker Motors brought out some old and new faces. Much of our discussion focused on "how to get" our membership active either via meetings or events. I also heard from a few members in writing, most everyone agreed that we should continue to meet monthly and have a newsletter monthly. Our host for our June meeting will be Sam & Nancy Kelly. Phone 851-2616. The Tech Quiz will be hosted by George Lutz. See you at the meeting.
