Letter From the President **Kerry Koon**

Dear Porsche Friends,

I am glad to report that I am gradually getting back up to speed. I particularly want to thank Al Trego, Terry Ryan, Mavis Greenwood and Tuggy Mathisen for not missing a beat while I was out of commission.

The April meeting was a great success. Thanks are due Baker Motors for hosting the meeting. It was a real treat to see the new models. The meeting was also well attended. Newer members keep coming! I haven't seen some familiar faces for quite a while - you know who you are! Hope to see you at the upcoming meeting.

Take note that there is a change in the meeting site. The meeting is Thursday, May 28, at the usual 7:00 PM hour (6:30 exec. committee) at the Charleston Crab House on Wappoo Creek, right next to the bridge. We have the conference room reserved. Gordon Friedman has agreed to give us a report on his Club Racing experience as well as tips on equipment and car prep. See you next Thursday!

Kerry

If you miss the deadline there is always next month!

Monthly Meetings: As I mentioned last month, I don't want to be a nag about the meetings, but I will anyway. This month's meeting features Gordon Friedman. Gordon is the "Autometrics Guy" and he is going to lay some hot-tips about equipment and car set-up on us - and tell us about his Club Racing experience! Be there!

Well, that's all for this month. See you at the meeting.

And remember - keep both hands on the wheel except when shifting gears, and --- DON'T LIFT!
