Letter From the President

Dear Porsche Friends,

The middle of summer is a slow time for people ... and Porsches! There are a number of club events upcoming that should be very enjoyable as the summer heat begins to moderate. Florida Crown Region (Sept. 11-12) and Florida citrus Region (Oct 16-17) are hosting Driver's Ed events at Roebing Road in savannah. See Pano for details.

We will begin our fall autocross schedule on Sunday, Oct. 3rd with registration at 12:00 - 12:45 and 1st car out at 1:00. Same site - Berle Manufacturing at 1411 Folly Rd., James Island.

Our annual car show is set for Sunday Oct. 17 at the James Island County Park, "Wando Shelter". Lunch will be at 12:00 and car judging after that. "Volunteers" will be receiving their assignments soon.

The cook-out at Allen and Marci Roof's beautiful spot on Lady's Island was well attended and, as before, great relaxing fun. Many thanks to our hosts. It was good to see our Beaufort area members and our old friend Sam Kelly again.

Our next monthly meeting is at Al Trego's home, at 2963 Doncaster Dr., August 26th at 7:00 pm.

Kerry

DON'T FORGET

MONTHLY MEETING

This month's meeting is
7:00 PM, Thursday 26 Aug 99 at

Al Trego's house
in Shadowmoss - *Hickory Hills*
2963 Doncaster Drive

AUTOCROSS - AUTOCROSS

Sunday, Oct 3

Berle Manufacturing Co.
1411 Folly Road
Just past K-Mart on the right.

AUTOCROSS

Registration will begin at 12:00 PM
with the first car out at 1:00.

In addition to being a lot of fun, autocrossing really helps you learn the limits of your car, e.g., how quickly you can turn, accelerate, brake, etc. Very helpful experience when you need to evade the antics of some less-than-thoughtful driver on the road. After an autocross or two you will realize you can do much more than just slam on the brakes - especially in a Porsche. Try it - you'll like it.

Editor's Note

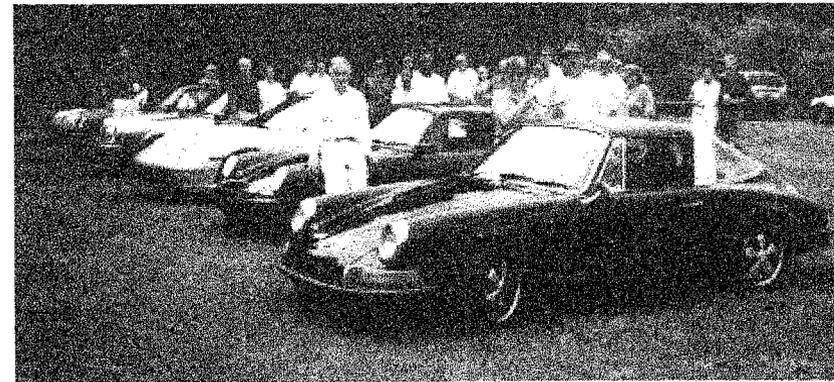

Terry Ryan

Hi Everyone,

Summertime and the livin' is easy. Here it is the middle of August, back to school, watchout for hurricanes and time to start thinking about those around-the-house chores it's been too hot to do. Cooler weather is coming.

I'm sure everyone's keeping real cool in their Porsche. Well ... maybe not *real* cool if your A/C is as wimpy as mine. If anyone knows how to "turbocharge" an '86 911 air-conditioner please let me know.

Allen Roof sent some photos of the cook-out in Beaufort . "Thanks", Allen. Sorry to say I wasn't there, but if it was half as good as last year . . . well, 'nuff said. Photos follow.

A GOOD LOOKIN' GROUP
(THE PEOPLE, TOO)

I counted 24 or 25 people in the photo which adds up to a great turn-out. I haven't "done the numbers" to be sure, but in terms of new members it seems like Beaufort/Hilton Head is perhaps the fastest growing area in Palmetto Region. Lookin' good.

cool shade and the marsh in the background.

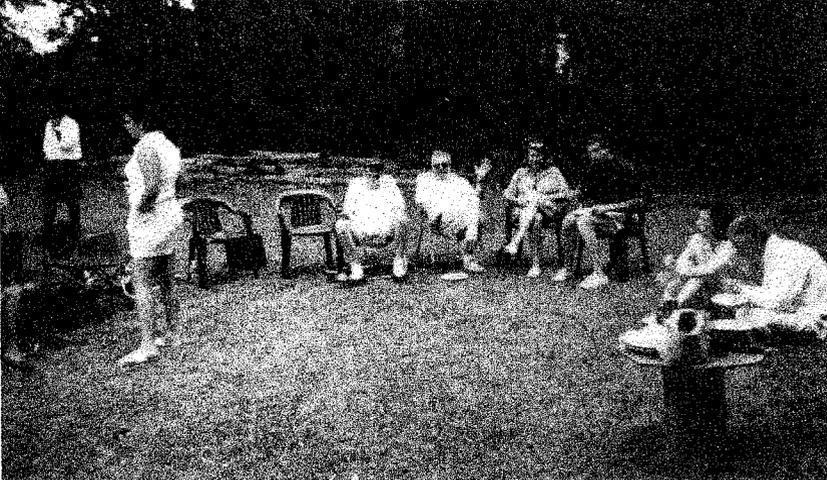

HERE'S PART OF THE GROUP "CHILLIN" ON THE DOCK.
PROBABLY WONDERING IF PORSCHE'S FLOAT.

All in all it looks like a great time. Hope you were there.
Wish I had been.

HELP!

You may have noticed this issue of the *Pipes* is the "large economy size". We added space this month to include the photos, and when you add a "sheet" in this format you add 4 pages. We have been a little cramped with the 8 page version, but I don't usually have enough material to make the jump to 12 pages, so this is where I need your help.

I could plagerize "stuff" from other publications (legally of course) and include it in the *Pipes*, but it would be much better if I had some items from the Palmetto Region members. This is more interesting to most people, and helps people become more involved in the club. And besides, it's fun to see your contribution in print.

YOU WERE GOING HOW FAST ?
THROUGH WHICH TURN?

This is one of the bull sessions where everyone tells "fish stories" about their Porsche exploits – which no one believes, but everyone accepts with gracious good humor . . . and then tells one of their own.

"I THOUGHT YOU WERE BRINGING THE BOTTLE OPENER".
"NOT ME, I THOUGHT THEY WERE TWIST-OFF CAPS".

Actually, I think it was probably pop-top cans, but this is a good look at the location with the beautiful trees providing

So, if anyone has any item of any kind that is in any way related to anything that has any connection to any Porsche subject or any people associated in any way with any aspect of anything related to Porsche – send it in.

Here's the deal. You send it in (My address is on the front page.), with photo(s) if appropriate, and I'll get it in the *Pipes*. Typed or handwritten is fine (if I can read it), and I'll do whatever reformatting is necessary, scan the photos and get them back to you, etc.

Drive Safely, and drive your Porsche
Terry
