Letter From the President Kerry Koon

Dear Porsche Friends,

Our first (in years) autocross was held on Sunday, March 14. In spite of awful weather, we had a respectable 11 car turnout and we all learned quite a bit about car control. Congratulations to Richard Huss for FTD!

Our next autocross will be Sunday April 18 at Berle Manufacturing (just past K-Mart on Folly Road. Registration will be at 12:30, and first car out at 1:15. We are planning one event per month until it gets too hot.

The Road Atlanta Club Race is April 10-11. Also upcoming is Crown Region Driver's Ed. on April 24-25 at Roebing Road. Call me for info or check Pano.

The next meeting is Thursday, March 26, at Gordon Kings's house at 310 W. Indian Avenue, Folly Beach. Take a right at the Library and watch your speed on Folly!

AUTOCROSS - AUTOCROSS

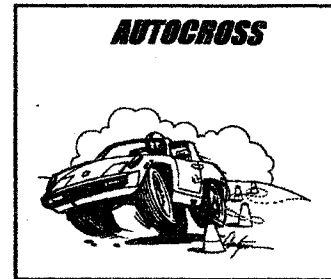

Sunday, April 18

Berle Manufacturing Co.
1411 Folly Road

Just past K-Mart on the right.

Registration will begin at 12:30 PM
with the first car out at 1:15.

In addition to being a lot of fun, autocrossing really helps you learn the limits of your car, e.g., how quickly you can turn, accelerate, brake, etc. Very helpful experience when you need to evade the antics of some less-than-thoughtful driver on the road. After an autocross or two you will realize you can do much more than just slam on the brakes - especially in a Porsche. Try it - you'll like it.

⇒ Drivers Ed. - April 24-25, Roebing Rd., Florida Crown Region. Chris Hoyt, 4816 Yacht club Rd., Jacksonville, FL 32210, 904/388-6371.

NEW MEMBERS AND RENEWALS

(Note: Some of these fine members joined or renewed earlier this year but for reasons which are known only to the editor and which will forever remain a secret, they didn't get listed in the *Pipes* at the appropriate time. So, they are being listed now and rest assured are none-the-less warmly welcomed to Palmetto Region.)

Editor's Note Terry Ryan

Hi Everyone,

The autocross was great! A big "well done" to whoever found the site. Even though it was raining we were all able to keep dry on the covered walkway in front of the building. This will be an ideal place for when the sun is blazing hot as well.

As Kerry mentioned Richard Huss had FTD (Fast Time of the Day). John Sheppard got second and yours truly was third.

Bart Antine who had never, that is never, autocrossed before came out "just to watch". He wound up running his very first autocross. Not only did he drive for the first time ever, but from the first to the fourth run of the day he managed to reduce his time by a full ten seconds! Something tells me this guy is a fast learner! "Way to go, Bart".

Shelter from the rain, shade from the hot sun, an empty parking lot to race on, Porsches to drive, lots of good people to talk with and race with. It don't get no better than that, sports fans. See ya' there on the 18th.

Drive safely and drive your Porsche,
Terry
