PALMETTO REGION

PORSCHE CLUB OF AMERICA

FEBRUARY 1996

Next Meeting

Our February 13 th. meeting will be held at Sports Rock Cafe located at 3025 W. Montigue Ave. in North Charleston. The meeting will start promptly at 7 PM. Come join in the fun!! Take I-26 to Montigue -West and one block on the left. (566-9000)

As a bit of introduction to those of you I have not met, 1996 marks my 18th year as a Porsche Club member, having first joined Germany Region in 1978. During that time, I have been a member of Longhorn, Monterey Bay, Kentucky and Musikstadt Region (yes, I was in the military) and have owned 6 Porsches. I have had the opportunity to hold several regional positions and hope this experience will help with my new responsibilities. My wife and I consider ourselves a sports car family with two 911's and a Miata to meet our transportation needs.

AUTOCROSS

Palmetto Region is continuing the search for autocross sites for PCA. If you know of a possible location please contact one of the officers.

POLE POSITION

As the incoming president of the palmetto region, I would like to thank all of last year's board members for the superb job they did in 1995. I hope to maintain the level of enthusiasm the club now enjoys and look forward to an exiting 1996.

At the January meeting we have established a committee to investigate ordering nametags and car badges for members of the Palmetto Region. Any members interested in either project please contact Tuggy Mathisen with any suggestions or assistance you may have to offer.

We are actually soliciting event ideas and sponsors for this year - please do not hesitate to contact me should something pop in mind.

A small group of foolhardy souls will be venturing to Daytona for the 24 hours - If we survive the weekend there should be some good stories to relate at the next meeting (at Sports Rock Cafe - 7 PM the 13th of Feb.)

See you the 13th.
Joe
