

PALMETTO PIPES

PALMETTO REGION

PORSCHE CLUB OF AMERICA

MAY 1996

Next Meeting

Our May 21st., **Tuesday** meeting will be held at 2408 ION Ave., Sullivans Island - Hosted by Bob Chick and Patty Regnery. The meeting will start promptly at

POLE POSITION

Interesting info and pictures of the 996 in 4/22 AUTOWEEK. Even though the car will be longer and wider than the 993, weight will be down about 160 pounds due to more use of aluminum and plastics. Propulsion will be provided by the boxer 6 in 24 valve, water cooled form with the base 3.3 liter engine producing around 275 HP. Notable changes include a longer wheel base and overhangs, improved rear seating and improved aerodynamics and weight distribution. There is significant parts commonality with the Boxter which should help control cost, look for sales to begin after the Frankfurt Show in September of 1997.

Many thanks to Gordon Friedman for sponsoring the 20 April Tech Session. We had a small but enthusiastic crowd (including some new members) and a beautiful day for the event.

Upcoming May 19 is the Spring Rally. Details are elsewhere but this should be a most enjoyable tour through the southern reaches of the region with a late following. The only requirements are; car, two people and the desire to have a good time.

Our May membership meeting will be held at Patty Regnery's house located at 2408 Ton Ave. on Sullivans Island (7 PM).

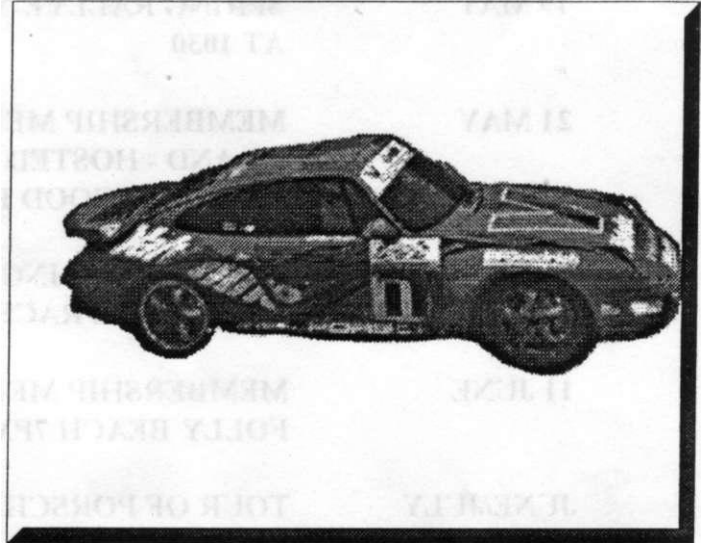

JOE
