## Dine and Drive Harold's Country Club In Honor of Tuggy Saturday August 20th

Drive and Dine to Harold's Country Club with the Coastal Empire Region PCA on August 20th. It's steak night at Harold's and we will rally out to Harold's in memory of our recently departed member Tuggy. We are going to make the drive to Harold's Country Club an annual event in honor of Harold (Tuggy) Mathisen since this is what he loved the most, getting out in his Porsche and running in rallies out into the country.

For \$18 per person, you get steak, salad bar, baked potato, and coffee/tea. Please register below by August 18th with how you want your steak cooked and if you want dessert. For those in Charleston gather at the West Ashley Publix (Hwy 17/Main Road) to depart at 5:00 pm. For the Coastal Empire members you will just be meeting at Harold's Country Club at 6:30pm.

There is a \$5 event fee which will be matched by the Palmetto Region and donated to the MUSC Hollings Cancer Center in Harold (Tuggy) Mathisen name and anything additional you want to donate will also be added to the proceeds.

Here is the link to register for this great event:

# Turn 9

By Joe Mills

We regret to inform you that due to mechanical difficulties, Turn 9 will not be published this month as we have run out of hours in the week as we prep for the Coastal Empire Region PCA DE to be held at Roebing Road Raceway on June 4-5. The good news is that the Miata is no longer leaking oil like an old 911. And it got a new clutch and flywheel while we were at it. Hope everyone has a safe and fun DE weekend and the weather gods are kind to us.

Please use your imagination or the internet for fun track-related facts to entertain you. We will return to publishing Turn 9 next month. Thank you!

# Retirement

## Doesn't Mean You Retire from Life

Maybe your idea of retirement is having a second career or working part time, volunteering or indulging in your favorite hobbies. Doing the things you want to do is what retirement should be all about.

That's why it's important to know the answers to these questions:

*Have I saved enough?*

*How will I pay for health care?*

*Will I outlive my money?*

*How much can I spend?*

*How will I manage and track my income?*

---

To learn whether your financial strategy will let you enjoy retirement on your terms, call or visit today.

# The Porsche Experience Center Atlanta

Germany may be our home. But our heart is in Atlanta.

Porsche began as the realization of one man's dreams. And Porsche has once again applied that same spirit to the new Porsche Experience Center in Atlanta, Georgia. Demanding, rewarding, challenging and inspiring, it is as the name implies: a place in the heart of Georgia where you can immerse yourself in all that is Porsche.

In its design, in its facilities and in all you experience within the 27.4 acre complex, is a total reflection of Porsche's past, present and future. You will be able to hone your driving skills via one-on-one instruction on unique Porsche test track modules and off-road courses that are purpose built to demonstrate the power, responsiveness and safety at the core of Porsche engineering. Opportunities to experience Porsche off track include access to the Human Performance training facility, business center meeting facilities, the Driving Simulator Center, Classic

Restoration Center and an exclusive fine dining restaurant.

\* Please note that reservations are highly recommended for all experiences.

## **Diagnostically speaking, there is no substitute.**

The best equipment. And the best minds trained to use it. These are your Porsche certified technicians. Dedicated to Porsche vehicles above all else, they must complete over 80 hours a year training in the latest diagnostic technology and techniques. You'll also take comfort knowing all Porsche genuine parts are factory-backed for two years when installed by your authorized dealer. Better still, there is no substitute for having your vehicle serviced by professionals who not only know Porsche, but live Porsche every day.
