

# PALMETTO PIPES

PALMETTO REGION

PORSCHE CLUB OF AMERICA

JUNE 1994

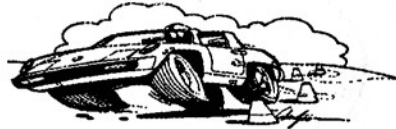

**JUNE MEETING:** Our next meeting will be held on **Tuesday, June 14, at Autometrics** in West Ashley (1913 Belgrade Ave - 763-6740), beginning at 7:00 (6:30 for socializing). The local Distributor for **Hoosier Tires** will be our guest speaker, and we look forward to a great presentation, which will include samples. Also, we decided at last month's meeting to extend to the June meeting the deadline for turning in Tug's "**Run It When You Want To Rally**", a splendid *walking* tour of downtown historic Charleston (the questions were handed out at the April Meeting). As a special treat, **Tug Mathisen** will be awarding his own water color creations for first and second place teams. **Tuggy** is giving the June tech quiz, and it better be multiple choice this time!

Mark your calendars now, the **July meeting will be held on 7/12**, at the home of Dale & Christiane Conrad in Mt. Pleasant (884-2900).

**JUNE AUTOCROSS:** The next autocross will take place on Sunday afternoon, June 26, at our regular location at the Charleston AFB. As usual, tech inspection begins at Noon, with the first car out at 1:00.. Last month, \$10 secured each entrant six timed runs around the course! Believe it or not, its almost as much fun to watch the event as it is to drive.
