## From the Editor

Thanks for all of your comments on the "new look" of Palmetto Pipes, I had no idea it would be so well accepted. Now I will work harder trying to improve on it with each issue.

Last month we changed the meeting from Tuesday to Thursday in response to you input on the questioner. Much to our surprise we had fewer members in attendance that ever before. I speak for all the board members when I say "What are we doing wrong"? It is time to nominate a new slate of officers for the 1998 year, so please come out and install you choice of officers.

The attendance at the Concours D'Elegance was GREAT everyone who entered received a beautiful "Participation Certificate", not to mention they had a good time. Bob Chick out did himself on the selection of food, I am still full!

Stan, svernon@awod.com
