

# PALMETTO PIPES

PALMETTO REGION

PORSCHE CLUB OF AMERICA

OCTOBER 1994

**OCTOBER MEETING:** Our next meeting will be held on **Tuesday, October 11**, at the home of **Big Al & Little Debbie Trego** (571-5674), in the Hickory Hill Plantation sub-division, which is adjacent to the Shadowmoss sub-division in West Ashley. Take Hwy. 61N from Sam Rittenburg Blvd. or I526, then left on Bees Ferry Rd. (@ Shadowmoss), proceed 1 mile, then turn right into Hickory Hill Plantation subdivision. Go 1 block, turn left onto Hepplewhite, go to end, and turn right onto Doncaster. The Trego's house is the 12th. house on the left -- **#2963 Doncaster**. As usual, the meeting begins @ 7:00.

The November meeting will be held on **Tuesday, November 11**, at **Autometrics** in West Ashley (763-6740).

**1995 OFFICER ELECTIONS:** It's time for the membership to consider nominations for the 1995 Board Member Positions. We will accept nominations by phone by contacting any officer, or by nomination at the October Meeting. The deadline for nominations is November 6. Oh, and by the way, it would take an *act of God* for me to run for President again.

**OCTOBER RALLY:** Our next rally will be held on **Sunday, October 23**. We will begin the rally in **Mt. Pleasant in the Patriots Point Naval Museum** parking lot. Registration will begin at 12:30, with the first car out at 1:30. To those of you who have never entered a rally, you probably have a misconception as to what they are all about. Trust me - our rallies are "laid-back", fun events, designed for novices. They typically last about two hours, (not including post rally socializing).

**BAD NEWS:** We've just been notified by the Charleston AFB that, effective immediately, the club will no longer be able to utilize the great autocross site we've enjoyed for three years, due to the scarcity of aircraft parking space caused by the recent deployment of the C-17 to the base. So, needless to say, we need to re-visit the task of locating another site. We welcome any ideas, tips, leads, or appropriate high-level contacts to secure another facility.

**C.O.T.Y. STANDINGS:** (Top ten, after 3 autocrosses, 8 tech quizzes, 2 rallies)
