PALMETTO Region

Dear Warren:

I am happy to inform you that the PALMETTO Region has been granted the 76th charter of PCA. You have worked hard in getting this region established and there is more hard work ahead, keeping the region going and growing. We of National will be happy to help in any way we can.

I am sending your charter, a PCA Banner and your Insurance certificate under separate cover. I'm sure your zone coordinator, Dr. Leonard Turner, would be happy to present the charter to you formally on behalf of National, if you would contact him to make the arrangements.

Let me wish you much success and please contact me if I can be of any service.

I would appreciate a list of those members from you who wish to transfer from another PCA region into PALMETTO. I will then change their Master cards, and notify the regions of the change.

Sincerely yours,

Jane H. Nestlerode
